

## Volunteer of the Month

**Name:** Sugiyanto

**Studying:** Master of Communications

"My name is Sugi from Indonesia. I am doing a Master of Communications at Mt Lawley Campus. Since my arrival in Perth in mid-May 2019 I have been involved in various volunteering activities with ECU and other organisations in Perth.

Prior to the commencement of Semester 1 2020, I took part in the orientation weeks at ECU. I found this opportunity extremely rewarding, because I can share my experience with new students and be able to help introduce them to the campus, the facilities, and the resources they can access.

I would have never been where I am now without the help of others and I feel obliged to give back to the community. It is through volunteering that I can do so."

To find opportunities visit [ECU VolunteerHub](https://www.ecu.edu.au/volunteer) or contact us at [careers@ecu.edu.au](mailto:careers@ecu.edu.au)
